Mission Statement

IRUA is a not-for-profit corporation organized for the purpose of providing high quality insurance and reinsurance education, meaningful networking opportunities, and the dissemination of topical publications and information relevant to the reinsurance industry.

Vision Statement

IRUA provides a vibrant forum that encourages professional & personal development of member company personnel through educational excellence, the exchange of knowledge among industry constituents within the insurance and reinsurance marketplace and recognition for academic excellence for the next generation of reinsurance professionals. IRUA accomplishes this vision through focused educational offerings, a robust Scholars program, the publication of the Journal of Reinsurance, and an Annual Conference.

IRUA's mission is to deliver services to continue to make it a relevant association for today's reinsurance marketplace. These services include four core areas of focus.

Educational Events

- High quality reinsurance educational seminars and workshops, including the unique Next Generation Reinsurance Leadership program, and an industry source for all education events.
- Great networking opportunities.

Scholars Program

- Meaningful Scholarship Awards to winners of reinsurance related topic essays submitted by college students interning with a member company. IRUA acts as a conduit for academic institutions and members in talent recognition.

Annual Conference

- An Annual Conference, the marquee IRUA event, specializing in current hot topics and our unique Executive Roundtable sessions.

Journal of Reinsurance

- E-publishing of the enhanced Journal of Reinsurance – for almost 25 years – and the only academic journal dedicated to providing insight & knowledge sharing for the reinsurance industry.
