

## “De-constructing Construction”

### A Challenging Industry for Re/Insurers

September 12, 2019

being held at

Mayer Brown LLP, 1221 Ave of the Americas, New York NY 10020

This seminar is geared to insurance and reinsurance underwriters, brokers and claims professionals who today face challenges that construction industry exposures provide. The morning session will provide a high-level overview of basic coverages, exposures and policy forms. The afternoon session will provide a broad market update, construction defect issues and the implications of NY Labor Law and the current legal environment.
