

## ALL ABOUT REINSURANCE CONTRACTS\* SPEAKER BIOGRAPHIES

**Kortney**  
**Senior Vice President**  
**BMS Re**

Kortney accepted the newly developed position of Technical Broker, Senior Vice President at BMS Re in November of 2023. She is located in Minneapolis. In her role, Kortney works with broking leaders and operational stakeholders to assess, design and deliver the technical training strategy for BMS Re brokers, which includes managing technical training projects from conception to implementation and providing support, training and resources to broking staff.

Previously, Kortney spent the entirety of her professional career as a Contract Analyst, most recently as a Senior Vice President at Gallagher Re and, prior to that, at BMS Re for a decade, where she expanded her drafting experience while, additionally, managing and training new hires, providing technical writing and editing expertise to other departments, and participating in numerous corporate committees. Before her tenure at BMS, Kortney was an Assistant Vice President in Contracts at Guy Carpenter starting in 2004, a position in which she successfully managed numerous high-profile accounts and special projects. In 2009, while at Guy Carpenter, she achieved the ARe professional designation.

Kortney is a graduate of the University of Minnesota, Twin Cities, in which she earned a B.A. in Sociology.

**Nicole Turner**  
**Vice President**  
**BMS Re**

In November 2021, Nicole Turner joined BMS Re and is currently a Vice President & Contract Analyst. She is located in Chicago. In addition to drafting and reviewing contracts, Nicole also actively contributes to the internal training of staff in contract wording and process.

Prior to joining BMS Re, Nicole was an Associate Director & Contract Analyst at Aon, having spent 8 years of her career drafting and reviewing contracts, monitoring industry trends, instructing internal reinsurance courses and supporting and managing the team intern. Previously, Nicole spent 9 years in Aon's Regulatory Law and Licensing Department, overseeing internal compliance with state insurance regulations.

Nicole earned her B.S. in Economics from the University of Illinois at Chicago and her MBA in Economics from Roosevelt University. She also holds an ARe professional designation.
